

HERITAGE GROWTH
PARTNERS

***Mutual Respect • Integrity • Trust
Excellence • Servant Leadership***

Founded in 2014 and based in Atlanta, GA, Heritage Growth Partners is a private, family investment office that partners with driven operators seeking to acquire, lead and grow a business. We provide patient capital and hands-on support throughout the search, acquisition, growth and realization journey.

Business Acquirer Criteria

- Collaborative individual who values true partnership and aligns with our core values
- Relationship-driven approach to sourcing, building trust with business owners and developing proprietary acquisition opportunities
- Desire to be a committed acquirer and operator of a single business
- Demonstrated ambition, initiative, focus and high standards
- Prior operating and leadership experience in relevant target sectors
- Thesis-driven search with clearly defined business and acquisition criteria that benefit from patient, flexible family capital and Heritage's resources
- Greater opportunity and likelihood for success by partnering with Heritage

The Heritage Difference

- Hands-on support during thesis refinement, search, diligence and closing
- Moderate leverage and flexible capital structure to support growth and operational improvement
- Focus on sustainable growth both organically and through acquisitions
- Dedicated, multi-disciplinary team providing ongoing strategic, financial and operational support to maximize value creation
- Deep personal and professional relationships and an extensive network of advisors and operators to support the business acquirer
- Meaningful business acquirer ownership and alignment of incentives
- Significant personal investment from the entire Heritage team

Investment Criteria

Transaction Criteria

- EBITDA: \$3 - \$7M
- Heritage Investment: \$10 - \$20M
- Business acquirer to personally invest and rollover closing fee into transaction
- Conservative leverage to preserve flexibility and support growth

Geographic Focus
